Alderman McDowell called the Planning & Zoning Committee Meeting to order.

McDowell stated that we will be discussing the Rodeo.

Mayor, Council, Willaredt discussed their concerns about parking for all the cars during the Rodeo, police presence to handle the parking and crowd control, insurance for the event, putting limitations on a onetime event, control and the handling of the 35 animals and the need for emergency services contract.

McDowell stated we need to put these limitations in the ordinance and we need to have the Elks come back to discuss what we expect from them on the days of the Rodeo.

Motion by McDowell, second by Elliott to adjourn Planning & Zoning Committee Meeting. All Voted Yes. Motion Carried.

Meeting Adjourned.
